

The Updated St. Ursula Wish List

November 2008

The following is the updated wish list as of November 7th. As you can see a lot of items were donated by our school families. Please continue to be on the look out for items on the list. Several teachers wish for a new desk, so if you know of a company that is remodeling and replacing their desks (or filing cabinets), keep us in mind! (That is how we got our current furniture for the Teachers' Room and the Conference Room.)

Look over the list for items that you may have at home—like a CD player that is just collecting dust, a used printer, or toys that 3rd graders could play with at recess.

A BIG THANK YOU to all the families who donated!
