

## St. Ursula Wish List—Fall 2011

October 2011

The St. Ursula Wish List is compiled yearly, by parents who learned from teachers that there were certain items that cannot be covered by the school's limited budget. The list is broken down by teacher or by area.

Please read it over and be on the lookout for these items. Keep your ears open for friends or families who are updating their technology who may be willing to donate a computer or a printer. As you are cleaning out your toy room, consider donating your old Legos or hard back books for our library. Keep in mind that a few teachers simply asked for gift cards or money so they can get the items they need for their classroom.

In past years, items were donated directly from our families, while other donations came from Grandparents, parishioners, employers and local businesses. **You can also find this list on our website [www.stursulaschool.org](http://www.stursulaschool.org)**
