

Pot o' Gold

St. Ursula School
16th Annual
Dinner & Auction

Saturday, March 7th 2009

Dear Friends of St. Ursula School,

We are thrilled that you have joined us tonight for the 16th annual Pot O' Gold Dinner and Auction. This event is the foundation of our annual fundraising campaign. Through this and other fundraisers throughout the year, we are able to provide a superior faith-based education program for our children. Thank you for sharing in our vision and dreams for the students of St. Ursula School.

Here at St. Ursula School, our motto is “Enter to Grow • Exit to Serve”. This is more than just a motto - it is put into action every day by our teachers and students. This year’s Catholic Schools Week theme, *Catholic Schools Celebrate Service*, was very appropriate to our mission at St. Ursula. It has been wonderful to see our students participate in many community service projects this past year.

It has been an important year for St. Ursula Parish as we celebrate our 100th anniversary. (The school’s 100th anniversary will follow in a just a few years!) The many generations of students who have graduated from St. Ursula School over these years have gone into the world representing the virtues of Catholic education – faith, service, and love. We have been blessed for over 100 years with a generous and loving St. Ursula community.

We are grateful for the continued grace God bestows on the St. Ursula community. May God bless you and your family for your kindness and commitment to St. Ursula School. We know you will enjoy the evening!

Sr. M. Joanita Fedor, V.S.C., Principal

Fr. Garrett Dorsey, Pastor

Susan Michel, Pot O' Gold Committee Chairperson

A Special Thank You to our School Families

Many families at St. Ursula School have donated items from their businesses, homes, or talents. Many donated items outright or hit the pavement to solicit donations from local businesses or their employers. We thank all supporters of the school for making that extra effort to make our auction a success. There would be no auction without you!

Volunteers

The 2009 Pot O' Gold Auction was made possible only through the amazing efforts of the Pot O' Gold committee. The Pot O' Gold Auction is a major undertaking for our school parents, but it remains a labor of love for us all – the love for our children and the love of the outstanding school that they attend. St. Ursula School is blessed and fortunate to have these wonderful parents leading the way. Thank you to everyone who worked so hard to make the 2009 event a success.

Special Thank-You

Special thank-you for Diane Pontoriero for the weeks spent with the students preparing art projects for auction.

Thank you to the staff at LaRoche College for providing such an outstanding catering service and venue.

Kudos to PNC Bank for donating the credit card machine for our use this evening.

Oops! If we left your name off the list it is not because we didn't appreciate your efforts!

Rules

Silent Auction

All items in the Silent Auction have Bid Sheets located next to them. Be sure you match the item number to the correct Bid Sheet number before entering your bid.

To enter a bid, simply write your Bidder Number next to the amount of your bid on the Silent Auction Bid Sheet. You will find your unique Bidder Number on the back of your program. Please print clearly and legibly on the Bid Sheets.

The Bid Sheets allow bids in only pre-determined increments (usually \$5, \$10, or \$25). Each new bid must be greater than the immediately preceding bid. When bidding closes, the highest bidder will get the item. Failure to follow these rules will disqualify a bid.

Only an authorized person may nullify a bid. Please do not block the bidders' tables or bidder sheets at any time. In the unlikely event of a dispute, the Pot O' Gold Officials will act as the final authority and will determine the winning bid. His or her decision will be final. The Pot O' Gold Officials will bring the Bid Sheets to the Officials' Table at the close of the Silent Auction.

At the close of each auction table, the winning bids will be written on a large display that will be posted. Please check to see if you have won the items on which you have placed bids.

Live Auction

During the Live Auction, you will be asked to acknowledge in writing that your winning bid agrees with the winning bid that the Pot O' Gold officials have recorded.

Check Out

We are excited to be able to offer the convenience of credit card purchases at this year's Pot O' Gold. Because the school incurs a percentage cost for each transaction, we ask you to use this service only for purchases over \$100. Also, please be certain you check out all your items in one transaction if you are using credit.

Cash and checks are also accepted for payment. *Checks should be made payable to St. Ursula School.* In the unlikely event that your check is returned to our bank due to insufficient funds, you will be liable for our bank's NSF charge. If, after five days, your check is again returned for insufficient funds, you will be requested to return the Silent Auction item and it will be offered to the next highest bidder.

Please visit the cashier when you are ready to check out. The cashier will provide you with a receipt that lists all of the items that you have won and the total amount due. Please take your cashier's receipt to each of these areas and present it for pickup of your items.

Gift certificates, tickets, and items of that nature will be distributed by the cashier. Large items and the Live Auction items will need to be picked up at the table on which they were displayed. Auction items may not be removed from the premises until payment is made.
