

St. Ursula Parish and School
3937 Kirk Avenue
Allison Park, PA 15101

Dear Friend,

St. Ursula Elementary School in Hampton is organizing its annual golf outing. This event is one of our largest fundraisers and will be a "Three Man Scramble" happening this year on Friday, August 1 at Pittsburgh North Golf Course. Last year's event raised close to \$10,000. With the help of persons like you, we hope to continue the success and support of our Parish School that this enjoyable fundraiser has provided.

We are asking merchants and corporations to provide donations of gift cards or gift certificates, which will be given as prizes to all of the golfers playing at the event. If you would prefer a different contribution, Tee Signs are \$100, and Corporate Sponsorship will be \$500. A registration form is attached with details.

St. Ursula Parish operates the school and has 1800 registered families. St. Ursula offers a complete educational program from kindergarten through eighth grade. Donations to this year's golf outing would provide excellent marketing exposure to all attendees as well as non parishioners whose children attend our school.

We hope we can count on your support. If you should have any questions, or if you would like someone to pick up your donated item, please call Colleen Andrews, Golf Outing Committee Member, at 412-486-9455. We encourage you to visit the school website: <http://www.stursulaschool.org/index.htm>

Thank you for your time and support you will be giving to the students of St. Ursula School!

Sincerely,

St. Ursula Golf Outing Committee 2008
