

2nd Grade Gazette

St. Ursula School Ms. McKaveney's Class October 24th-28

News for the Week:

A weekly update of the happenings in our classroom:

*Another busy week here in Second grade! The children are working hard towards their blue reading folder goals for the month of October.

*This week we worked on words that are contractions in spelling class. The children were amazed at how many contractions there were in the stories that they read this week as well. We continue to work on sequencing in stories. We also continue to work on determining realistic or fantasy in stories; ask your child how to tell the difference.

*In grammar we worked on proper nouns and why they are so special in sentences that they are always capitalized.

*We are working on maps and globes in Social Studies. We watched our video in Spanish class that told us the names for classroom items like pencil and paper.

*Our class prays one decade of the rosary every morning. The children will have an oral quiz on the prayers used in the Rosary next week. We also talked about the coming of the Holy Spirit in the sacrament of Baptism.

*St. Ursula School is celebrating 100 years this weekend at the 11:00 Mass. Please come join us for the celebration!

Family Notes:

*We will have a new student next week. Owen Pratt is starting on Monday, October 24th. The children are looking forward to welcoming him to our class.

Please remember to send a snack with your child each day. *No peanut products please and no candy as a snack as well.

***We will try to go outside whenever the weather permits. Please dress accordingly.**

Calendar of Events
